

## Antonyms

### Look and Learn

An **antonym** is a word which has the **opposite** meaning. Sometimes it can be made by adding a **prefix**.

happy

sad

### Practice

Match up the opposites.

- |            |         |
|------------|---------|
| 1) absent  | release |
| 2) capture | destroy |
| 3) coward  | present |
| 4) create  | friend  |
| 5) enemy   | hero    |

### Have a go

1) Choose **un**, **in** or **dis** to make each word mean the opposite.

- |                  |                  |                   |
|------------------|------------------|-------------------|
| a) -----appear   | b) -----sane     | c) -----willing   |
| d) -----welcome  | e) -----agree    | f) -----expensive |
| g) ---- continue | h) -----complete | i) ---- conscious |

2. For each word write an antonym of five letters.

- |                |                 |
|----------------|-----------------|
| a) clean-----  | b) lost -----   |
| c) late -----  | d) asleep ----- |
| e) noisy ----- | f) long -----   |
