

QUEEN FOR NINE DAYS

Imagine if you could run your country for a few days, to be the King or Queen, to be in charge of everyone. Sounds great doesn't it? Well this happened to Jane Grey, a distant relative to the King of England in 1553. She was only 16 years old!

The Basics

1. Who were the Princes in the Tower?
2. When did they disappear?
3. Why were they in the tower?
4. Where were they last seen?
5. What do most people think happened to them?
