

Terms and Conditions

Blackhen Education seeks to support your child with maintaining and improving their English skills. With this in mind it is important to remember that:

1. This is a commitment for both the student and their parents.
2. Organisation is important, both of time and resources.
3. Deadlines are very important. In order to provide prompt feedback, our tutors **must** receive work on time.

Student's work:

- 1) **All work must be returned via email.** Work can be typed or handwritten and scanned.
- 2) All students will be issued with a completion date for returning each unit of work. This is to enable us to plan our marking schedule for our tutors and ensure continuity of study.
- 3) If work is returned later than 48 hours (after the completion deadline) **it will not be marked.** *
- 3) If you wish your child to leave the course at any point, you are asked to inform us via email.

**(In exceptional circumstances we may be able to grant a small extension, but you must contact us at a least a day before the deadline).*
