COURSE CONTENT

Key Stage 1 (Age 5-7)

Our KS1 course is based upon the requirements of the National Literacy Strategy which is now followed in all schools in England. Pupils are taught the following skills by studying a variety of texts - fiction, non-fiction and poetry.

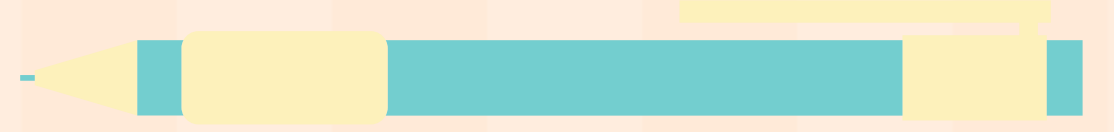

READING

The emphasis is on a wide range of strategies to make sense of their reading.

Children are taught:

- to decode words using sounds and blends.
- to read familiar high frequency words in texts.
- to develop comprehension skills.
- to read familiar texts with expression.
- to use simple dictionaries.
- to re-tell stories, discuss characters, sequence of events and plot.

WRITING

This is linked very much to reading in that the two activities reinforce each other.

Children are taught to:

- form letters correctly.
- use their knowledge of sounds and blends to build phonetic words.
- begin to use high frequency irregular words in their writing.
- independently string words together to form a sentence, using spaces between each word.
- sequence sentences to form a short narrative.
- use capital letters and full stops; recognise and begin to use question marks and exclamation marks.
